

Developing Instructional Leaders & Coaches

INSTRUCTIONAL
SERVICES

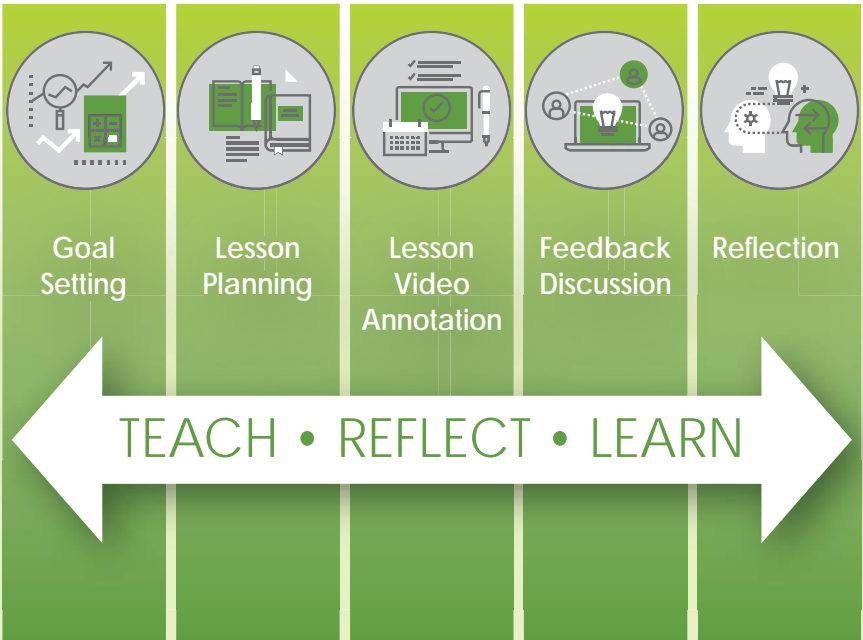

Inspired by the Visible Learning research of John Hattie and *The Art of Coaching* by Elena Aguilar, partner with HCESC Consultants to develop instructional leaders and coaches from within your district and schools. Collaborate to transform support staff, teachers, and all levels of administration to

hone & align their behaviors, beliefs and practices to give every student the best opportunity to learn more... do more... and be more!

Work to foster the bravery and humility one must have to transform their practices.

Working in partnership with HCESC will help coaches, teachers, and administrators become the trusted, supportive forces we need in all of our educators.
